

MY TRIP TO THE ZOO

A decorative border at the top of the page features silhouettes of two monkeys hanging from vines on the left and right, and an eagle in flight in the center.

Prowling Lion

Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour.

1 Peter 5:8

Satan the Lion

Prowls: move around restlessly and stealthily, especially in search of or as if in search of prey.

Roars: Makes a lot of noise, causes fear

Devours: consume quickly and destructively

The Hunt

The background features a stylized illustration of a zoo. At the top, there are green tree silhouettes with monkeys hanging from vines and an eagle in flight. At the bottom, a white picket fence runs across the frame, with silhouettes of an elephant, a camel, a lion, a bear, and a giraffe behind it. In the center, a sign on a wooden structure reads 'ZOO'.

How to Survive a Lion Attack? You don't... By yourself

Disconnected

Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

Hebrews 10:23-25

Let us hold
unswervingly
to the hope we profess

Disconnection
begins with a **compromised faith**

What you **say** you believe
is not how you have chosen to **live**

Ultimately your **disconnection** is not with a
building or a group of people, it's with **Christ**

Let us consider
how we may **spur** one
another on toward
love and **good deeds**

Connection

If people are going to be
connected and care we have
to give them a reason to be
connected and care

Relationships

Place to study

Ministry

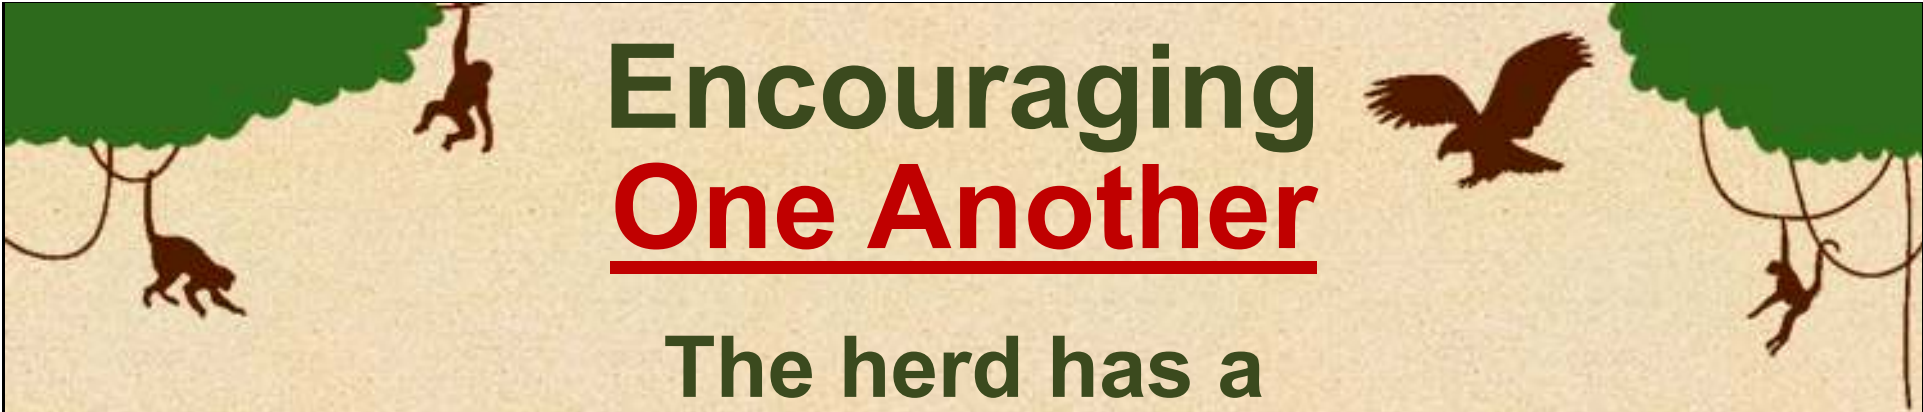

**Not giving
up meeting together,
as some are in the
habit of doing**

I start with an unsteady faith

I then proceed to an unwilling servant

I become an un-attending member

Encouraging One Another

The herd has a
responsibility to encourage

Encourage not **Attack**:
Make they can tell the difference between
the herd and the lion

Encourage them to **connect**
not discourage them from **disconnecting**

**The Lion is Prowling...
You need the herd
and the herd needs you**
